The holidays are here and the decorations are starting to appear. We have a festive edition this week to start the holidays off right.

Guess correctly and be crowned "Pleasanton know-it-all" for the week.

Congratulations to [Ernette Erlenbusch](#), [George Withers](#), [Megan Ann](#) and to [Patty Bennett Manzi](#) of [Facebook](#) for correctly guessing the location of the most of the most [recent photo challenge](#). The sculpture was located on Main Street and Vervais Street next to Del Valle Bridge in 2010.

Have your own photos around town that you'd like featured in our Pleasanton photo challenge? Send them to [autumn.johnson@patch.com](mailto:autumn.johnson@patch.com) or you can stump our readers!

Hopyard and Stoneridge Drive in Pleasanton to the entrance of Hacienda Business Park. There are also several small wreaths that surround t large beautiful wreath. This has been a family favorite and a kick off to the Christmas Holidays! Thank You!
