

Concerts in the Park off to a rockin' start

Northern Static will perform rock hits from the '80s and '90s at this Friday's Concert in the Park. Sponsored by the Pleasanton Downtown Association, live concerts take place from 7 to 8:30 p.m. every Friday through the summer at Lions Wayside Park, corner of First and Neal streets.

Hacienda Business Park is the presenting sponsor for the entire 2012 Concert in the Park series.

Concert-goers can set up chairs and blankets the morning of the concert to save their favorite spots in front of the bandstand, and this has become a tradition over the years.
