

## **Gatan renews Pleasanton lease**

**Gatan Inc.**, a designer and maker of products for electron microscopes, renewed its 38,000-square-foot lease for its headquarters at 5794 W. Las Positas Blvd. in Pleasanton. The office and research and development space is in a two-building property owned by **Cannae Partners** that once housed **Intel Corp.** Other tenants in the property include **Autonomy Inc.**, a software maker.

**Chris Crabtree**, a broker with **Cassidy Turley BT**, and **Eric Ramer** of **ICON Commercial Interest LLC** represented the tenant.
