About Hacienda

Hacienda is the largest development of its kind in Northern California. Over 10 million square feet of existing, mixed-use space is occupied by some 475 companies that locally employ approximately 17,500 people. Hacienda's businesses represent the best and the brightest of contemporary corporate America and provide the home to everything from small offices to regional centers to large campuses for company headquarters. In addition, Hacienda also features homes to some 3,900 residents. Residential developments also provide a full spectrum of choices from stylish rental units to single family detached homes.
