Hacienda to Install Annual Flag Display

Story

Hacienda in Pleasanton will be installing its annual salute to Flag Day and the Fourth of July on Monday, June 11, 2018. Continuing a five year tradition, the installation will be conducted by long-standing Pleasanton business, T. Marshall Electric, who has performed this work for Hacienda each year. The installations will begin early in the morning and will continue throughout the day, weather permitting.

Each year, Hacienda mounts three-foot by five-foot flags from the lampposts along Hacienda Drive from I-580 to W. Las Positas, and on Stoneridge Drive from Hopyard Road to Santa Rita Road. A total of 50 flags, one for each state, will be installed just prior to Flag Day, June 14th, and displayed through mid-July. Inspired by then-freshman and Pleasanton resident Amanda McKenzie in 2013, the idea for the flag display throughout Hacienda was a project developed as part of her Girl Scout Gold Award. Five years later, Amanda McKenzie's Gold Award project has become a new Hacienda tradition.

"Hacienda welcomes the opportunity to contribute to Pleasanton's community spirit as we celebrate Flag Day and Independence Day" notes James Paxson, Hacienda's general manager. "We value being in a city where such community spirit matters and are proud to be a part of these celebrations."
